Notes:

1. The Bank, on best effort basis, shall process a payment instruction within the same day if it receives such payment instruction before cut-off time or on the next working day if received after cut-off time.
2. Payment instruction shall be processed upon the sufficient fund, includes the bank fee, in the nominated account.
3. Payment instruction which is related to the foreign exchange/loan drawdown shall be processed upon the completion of the foreign exchange/general facility letter.
4. Payment instruction in foreign currencies shall be processed upon receiving sufficient required supporting documents.
5. The crediting time of the payment amount into beneficiary's account is subject to cut-off time, processing time and operational requirements of beneficiary's payment organisations involved in the processing of the telegraphic transfer.

The above information is for reference only and subject to change from time to time by the Bank without any prior notice. Please kindly contact your Relationship Manager / Client Service Manager for the updated procedure applied for your company.
